Television Broadcasting II
Welding Technician I
Welding Technician II
Welding Technician III

Transportation, Distribution & Logistics

Automotive Collision Repair
Automotive Service Fundamentals
Small Engine Repair
Unmanned Aerial Systems I — Pilot

Scan to access standards for each certification and to see state-specific exams. →

*LAPSEN, NCHSE, IFPO, and NECI 9-1-1 can be purchased as an add-on to any site license. Individual bundles and exams can also be purchased separately. Standards and exams are available for exams in pilot, but students can't earn a certification until the exam is out of pilot.
